Old-Fashioned Perennial Special

Perennials are now the rage and whether you have them in a perennial garden, a perennial border or a rock garden is up to you and your individual taste but to be in keeping with the times, perennials you must have. We are listing below the most popular of the perennials, those proven most satisfactory; all vastly improved of course, but varieties known and loved by us all for years and years. To make a leader of this class of flowers we have grown them by the thousands and are now offering them to you at very special prices. At this low price you should be sure to order all you will want to plant.

ACHILLEA—The great cemetery plant. Invaluable for cemetery planting as it commences to bloom early in July and is a perfect mass of beautiful flowers until frost.

BABY'S BREATH—Especially valuable for mixing with other cut flowers. The blooms are semi-everlasting, keeping for months without water.

BLUE SAGE—A valuable plant for a touch of blue in the Perennial garden. Produces in great profusion pretty sky-blue flowers late in the summer.

COLUMBINE—Produces in May and June graceful spurred flowers on long stems two feet above their attractive foliage. Very effective for rock gardens.

COREOPSIS—Flowers rich golden-yellow. Bloom from June until October.

GIANT HIBISCUS—These large improved Marshmallow are real show plants during their flowering season.

HARDY GARDEN PINKS—Are in their bloom in June producing in great number brilliantly colored flowers. They are important place for edging hardy borders, garden walks and in rock gardens.

HOLLYHOCKS—Another valuable old standby especially desirable for background planting.

SHASTA DAISY—A decided improvement on the original with blooms 4½ to 5 inches across of pure glistening white. In bloom all summer.

SWEET AYLLUM—A low spreading plant valuable for rockery or border.

SWEET WILLIAM—One of the foremost and valuable of the Perennials, producing great quantities of bloom early in the spring.

All At One Price—10 For $1.69—100 Only $14.95

DELPHINIUM

These gorgeous flowers blooming in every imaginable shade of blue and purple, will add untold beauty and charm to your garden. Be sure to make a liberal planting of this fine improved Delphinium. They can be kept in bloom continuously during the summer by cutting the old flower stems off after they have faded and new shoots will produce flower heads in succession.

**Special Fall Bulb Bargains**

**NAMED HYACINTHS**

The security of the buyer should be assured. Nominated Hyacinths have all received the approval of the trade, and they can be purchased with confidence. In order to get the best results, we recommend that you choose the variety that is most suitable for your location and conditions. These bulbs are large, clear, and come in a variety of colors. You will be delighted with the result obtained.

**HYACINTHS in SEPARATE COLORS**

For those who prefer to plant in separate colors, these bulbs will be equally as well-known as the Nominated Hyacinths. The only difference being that they are slightly smaller and more delicate, of course, very much less expensive. We highly recommend this site and grade for an extensive separate color planting outdoors. The bulbs are in good quality and quantity but are naturally considerably higher in price. However, through our special offer of this fall, you can get no better stock and our price is exceptionally low, quality and size considered. In view of the limited supply, don't delay but mail your order now.
